What to Expect When You Arrive

Attending your first gymnastics class is exciting and can be a bit nerve-wracking for first time members! Our staff and coaches are here to support your family. There is always a supervisor in the gym to assist anyone who needs a little extra support.

Here is a helpful list of what to expect when entering for your first class of the year:

1. Arrive 5 Minutes Early to class
2. Enter through our logo marked door, hang up your coat, and leave your shoes on the rack
3. Athletes will take a seat on the grey benches against the walls, parents will wait behind the purple divider walls
4. Coaches will come and greet athletes 5 Minutes before class starts!
5. Class will end promptly at the scheduled time. Any athletes in the Jr Super Star class or younger (about age 8 or younger) must see their guardian before being dismissed

Parent Viewing

Reminder that parent viewing is available for all classes on the first and last week on the session.

Viewing for participants in our Mini Stars classes (ages 3.5 to 5.5) is offered at a limited capacity throughout the full session.

In our experience, participants almost always participate and focus better on day-to-day programming when parents are not present and viewing.
